

1. **Claims 1,4-9** are allowed.
2. The following is an examiner's statement of reasons for allowance:

With regard to claim 1, the prior art of record fails to anticipate or make obvious "a service interface for receiving the data packets, ... a differentiated service profile associated with the service interface; a plurality of transport interfaces operatively coupled to the service interface, the service interface assigning a first data packet having a first differentiated service codepoint value to a first transport interface according to the differentiated service profile, wherein the service interface assigns a second data packet having a second differentiate service codepoint value to a second transport interface according to the differentiated service profile; a second service interface; and a second differentiated service profile [associated with] the second service interface, the second service interface operatively coupled to the plurality of transport interfaces, the second service interface assigning a third data packet having a third differentiated service codepoint value to a third transport interface according to the second differentiated service profile."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to BLANCHE WONG whose telephone number is (571)272-3177. The examiner can normally be reached on Monday through Friday, 830am to 530pm.

Art Unit: 2476

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ayaz Sheikh can be reached on 571-272-3795. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
